

### REMARKS

New claim 33 contains the subject matters of former claims 14 and 15 in independent form. These claims were noted allowable. Claims 14 and 15 are now made dependent on claim 33.

Claims 2 and 3 are amended in view of the disclosure on page 17, line 1, and now recite that "in at least one recurring unit [(G)g-(A)a]  $g = a = 1$ ." Formula Ik is deleted from Claim 12. The rejections thereby are moot over Power et al.

Reconsideration is respectfully and courteously requested.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

/Csaba Henter/
